Notes:			
* Required courses for the Preliminary Examination , which is taken after 1 year of full-time study. If a student does not have an MPH , they must also take EPIDEM 2110 Principles of Epidemiology before taking the Preliminary Exam. Also, a basic graduate evaluation course (BCHS 2558, Health Program Evaluation) is required if the student has not taken one.			
** Practicum Requirement: DrPH students must complete a 360 hour Executive Management Practicum.
