- 2.) I understand that I may enter into separate, additional contractual arrangements for the non-exclusive distribution of the Work so long as such contracts do not conflict with the Author's or the Proxy's choice of a Creative Commons License in connection with the submission of the Work.

5. I agree to indemnify and hold the Publisher harmless from any breach of the representations and warranties set forth in this Agreement, as well as any claim or proceeding relating to the Publisher's use and publication of any content contained in the Work, to include third party content.

For work being submitted by someone other than its author:

I have been designated as a proxy by the author of this Work. I certify that the Author has instructed me to deposit this work and has executed a D-Scholarship@Pitt Proxy Agreement Form on file in the University Library System, University of Pittsburgh.
